

# LUXA

2026 VEHICLE LINEUP

## Discover the full range of Luxa vehicles.

18 models across Luxury Sedans, SUVs, Sports Cars and Electric Vehicles.

---

Pricing shown is estimated starting MSRP and subject to change. Specifications are manufacturer-estimated (WLTP test cycle) and may vary by configuration and region.

# Built for the next generation of drivers.

LUXA designs vehicles around three pillars: performance engineering, sustainable electrification, and a connected ownership experience. Every model in this lineup is backed by the LUXA dashboard — book test drives, track service history, calculate financing, and manage your garage from one place.

## What every LUXA comes with

- Connected dashboard — bookings, service history, financing tools, and your garage in one app.
- LUXA Club rewards — earn points on every purchase and service visit, redeemable for offers and VIP events.
- Nationwide showroom network with priority scheduling for test drives and maintenance.
- Transparent financing — calculate your estimated monthly payment before you visit a showroom.
